Dear Arts Community Member,

You are invited to nominate a deserving candidate to receive the Lifetime Achievement Award, given annually by the Anderson Arts Center. In the past, the Anderson Arts Center has advertised a request for nominations in the newspaper, but decided this year on a personal approach. We are trying to reach and contact all the art organizations in the Kenosha area in an effort to receive a larger and more varied list of nominees from which to bestow this honor.

We need your help to continue the tradition in honoring the hardworking, dedicated citizens that work in the arts community which began in 2002. As you read the list of past recipients, you will get a sense of someone you know that should be included among them. Please take the time to write about your nominee and send in the enclosed form. Your nominee deserves to be recognized for his or her tireless efforts and strong commitment. It is an opportunity to celebrate the person, their work and their legacy.

Past recipients of the Lifetime Achievement Award include:
2008 - Gary Groenke, 2007 - Ralph Houghton,
2006 - Peggy Bozon, 2005 - Carol Mongreig,
2004 - George Pollard, 2003 - Florence Parry Heide, 2002 - Virginia Tatman

Please help us reach out to the larger Kenosha art community. Thank you for your support. Feel free to call or e-mail me with any questions. The best time to reach me is on Tuesdays and Thursdays at 262-653-0481 or Carolina@andersonartscenter.com. More information is also available at www.andersonartscenter.com or www.kempercenter.com.

Sincerely,

Carolina Curi-Bado
